Welcome to Victory!

ARE YOU EXCITED? WE ARE!

What. A. Year.

We make and see comments like this on a daily basis. Our world has seemingly turned upside down and there hasn't been a lot of "normal" in our lives for awhile now. As teachers, it's been strange for us to lead children virtually (or just not at all!). That's why we are SO EXCITED to be back in school with a whole new group of children! Seeing the smiling faces, hearing the laughter, and watching children grow and learn is the reason why we are here, and why you are so important to us. WELCOME!

In this issue, we talk about:

Changes on Campus

PLEASE PARDON THE DIRT!

There's a lot going on around here! In recent weeks we've had crews working to install our new modular buildings, plumbing, electricity, fencing, and a playground.

While our goal was to start VPK in those buildings, some unforeseen delays have led us to the decision to start in the church building classrooms and move out to the portables as soon as they are ready to go.

VPK (4-year-olds) will start school on Monday, August 24.

Preschool (3-year-olds) will start on Tuesday, September 8.

Extended Day afternoons will start on Tuesday, September 8.
