VICTORY PRESCHOOL | FEBRUARY 2022

WELCOME, FEBRUARY!

THERE'S SO MUCH LEARNING TO DO!

This month, our VPK students will be exploring the variety and values of tools & machines in their daily life; become aware of ways to communicate with others; and learn how people lived back in Bible times.

The 3s preschool class will be experimenting with light, shadows, and rainbows; exploring concepts of more & less, heavy & light, sinking & floating, and opposites; and begin learning about animal families & their habitats.

Our Bible stories are now focused on Jesus' ministry and miracles. We're not only learning about how strong and mighty our God is through the miracles, but we can see how much Jesus loves and cares for the people that He helps. We are included in His love and care, and we can show Jesus' love to everyone we meet!

BIRTHDAYS

FEBRUARY

Happy birthday to those celebrating birthdays this month: Quantaveus, Leveyon, & Sarah. God's love & blessings to you always!

"Give thanks to the Lord, for He is good; His love endures forever." (Psalm 107:1)

VALENTINE'S DAY CELEBRATIONS

MONDAY, FEBRUARY 14

Valentine's Day is a wonderful day to celebrate God's daily love for us and for us to remember to show that love to one another!

Watch for information from your classroom teachers regarding class rosters and more information about special Valentine's Day festivities.

SINGING FOR CHURCH

SUNDAY, FEBRUARY 27 @ 10:30

We're excited to once again invite the kids to sing their praises to Jesus during a Sunday service! **The kids will sing in the 10:30 a.m. service and also participate in a kid-friendly "ceremony" of saying farewell to Alleluia until the joyous celebration of Easter in April.** (We have a tradition of not using the praise "Alleluia" during the season of Lent, when we remember Jesus' journey to the cross.) We hope to see many of you there!

2022-2023 ENROLLMENT - NOW OPEN!

VPK certificates are now available for students turning 4 by the first of September. Visit www.elcduval.org for more information on applying for this *free* voucher!

Current 3s students who qualify for VPK in the fall will have spaces reserved for them through March 31. A spot will be reserved once we have your child's VPK certificate and re-enrollment forms.

Current 3s students who do not qualify for VPK will be automatically re-enrolled for the fall 3s program unless otherwise specified by the parents. If families wish to utilize a different schedule (2, 3, or 5 days) for the fall, please let Miss Anne know.
