3s Preschool Supply List

Personal items that **need** to be labeled with **Child's Name**:

- school bag – *preferably large enough to hold a binder & folder*
- lunch box – *for bringing morning snack (and lunch for full-day students)*
- reusable water bottle

- one 2-pocket folder
- one 1" binder **with** a clear pocket cover

- extra change of clothes in a Ziploc bag – *shirt, pants, underwear, socks*
- blanket and small pillow – *full-day students only*

Items that will be shared as a Classroom Community (no label needed):

- 100-count pack of top-loading sheet protectors
- one pack of hand (or baby) wipes
- one box of tissues
- one box of Ziploc bags – *any size*
- one roll of Scotch tape OR masking tape
- one package of construction paper - *your child's favorite color* 😊

We know this isn't a very traditional preschool supply list, but we already have plenty of the "usual" supplies (i.e. crayons, scissors). We thank you for providing everything listed! These items help keep our classroom running smoothly in so many ways.

Miss Anne & Mrs. Amy
