Help Us Count to...

100

We will be celebrating the 100th day of school in early February, and since the number 100 is a BIG number for kids, we want to see how much that really is.

During the month of January, we ask you to bring in non-perishable food items to support a local food pantry. Our goal is to collect 100 food items - in each classroom!

Which class will reach their goal first?!
